

LINKVIL HT301U/HT302U USB Wired Headset

Fanvil HT301U/HT302U is a USB wired headset which is specially designed for office and call center communication. With dual microphones, HT301U/HT302U supports ENC noise reduction technology, offering an immersive HD audio experience. Streamlined ergonomic design, soft leather ear cushions and ultra-lightweight provide all-day comfort for you to wear. You can choose the HT301U mono headset or the HT302U dual headset according to your preference, both of which support connecting to Fanvil IP phones with USB interfaces, third-party mainstream IP phones with USB interfaces, and PC devices.

Highlights

- **Dual Mic Noise Reduction:** Support ENC Environment Noise Cancellation Technology to reduce the background noise in the environment, bringing a crystal-clear communication experience to the listener
- **HD Audio:** Support wideband HD audio, which is designed for the calling and music. Support Anti Electromagnetic Frequency Interference and dynamic EQ function, providing more vivid and rich audio quality.
- **All-day Comfort:** Ergonomic design with soft leather ear cushions and ultra-lightweight. 260° bendable boom arm allows users to wear according to their preference.
- **Strong Compatibility:** Compatible with Fanvil IP phones with USB interface, as well as the third-party mainstream IP phones and PC devices with USB interface.
